Agreement and Signature

The members of PRIDE are industrial business, owners and employees, just like you. We recognize that only through our combined action can we make positive changes to our environment, making this a better place to be, for our employees, for our businesses and for our future. In this we are all volunteers. As active members of PRIDE, we commit our time and energies to making a difference, to making this a cleaner and safer place to work. Further, we recognize that if we don't invest ourselves, nothing will get done and nothing will ever change. This is our commitment to you. In return, we ask the following of you, which we have already committed to:

1. Each member must commit a minimum of four (4) hours per month spent with the organization, a minimum of 48 hours per year.
2. Should funds be raised for the good of members, and your company receives a direct financial benefit, these additional hours will be required:
 - a. For each \$10,000 received = 5 hours additional service per year.
 - b. For each \$20,000 received = 10 hours additional service per year.
 - c. For each \$30,000 received = 15 hours additional service per year.
 - d. For each \$40,000 received = 20 hours additional service per year.
 - e. For each \$50,000 received = 25 hours additional service per year.

I acknowledge that I should adhere to these minimums as an active member of PRIDE.
